ACKNOWLEDGEMENT

Praise the presence of GOD who has provided His Grace so that author can complete this mini thesis that entitled "CONSUMER PREFERENCE IN SELECTING BUBBLE TEA SHOP IN BANDUNG". Thank you to Ir.ACHMAD MANSHUR ALI SUYANTO, M.M., D.B.A as my supervisor for his guidance and help both morally and materially. Thank you also to my friends in arms who have supported us so that we can complete this task on time. I did aware, that is the Mini-thesis report that I have made is far from perfect in terms of integration, language and writing. Therefore, I do really expect constructive criticism and suggestions from all readers to be a reference so that writers can become even better in the future. Hopefully this report can add insight to the readers and can be useful for the development and improvement of knowledge.
