

FOREWORD

Praise be to Allah SWT for the abundance of His grace and guidance, the author was able to complete the final project report entitled "Development of Web-based "NuFish" Marketplace to Improve Fishery Products Marketing Using Extreme Programming Method in Klaten Regency Central Java". On this occasion, the author would like to thank:

1. Both parents and the whole family always provide support, advice, and prayers during the preparation of this report.
2. Mr. Muharman Lubis, Ph.D., IT. as a guardian lecturer since the beginning and has provided guidance and direction to the class.
3. Mr. Rahmat Fauzi, S.T., M.T., as supervisor I, has provided direction and guidance during the preparation of this report.
4. Mrs. Dita Pramesti, S.Si., M.Sc., as supervisor II, has provided direction and guidance during the preparation of this report.
5. Bandung Techno Park Business Incubator, WRAP Entrepreneurship lecturer, and the NuFish startup team always give enthusiasm and motivation to writers in conducting research, experimentation, validating business ideas, and developing applications.
6. All parties involved assist, provide advice, and evaluate in preparing this report.

The author realizes that there are still many shortcomings in the research and preparation of this final report. The author apologizes for all the shortcomings and asks for constructive criticism and suggestions from readers so that future writing can be even better. Finally, hopefully this Final Project can be useful for anyone who reads this Final Project.

Bandung, August 2022
