

## PREFACE

In the name of Allah, the most gracious, raise and gratitude to God Almighty for all His grace and guidance, the author was able to complete the preparation of the thesis entitled "CONSUMER SATISFACTION ANALYSIS TOWARDS STORE ATMOSPHERE AND LOCATION USING IMPORTANCE-PERFORMANCE ANALYSIS". During the preparation of this thesis, the author received a lot of guidance, support, advice and great motivation from various parties.

So, on this occasion, with all humility, the author would like to express his deepest gratitude to:

1. My beloved parents, Drs. Moch Bagdja Rachman and Wurtiti Sundari always give prayers, advice, and support to finish this thesis.
2. Nurafni Rubiyanti, Ph.D. as a supervisor lecturer who always encourages to write a thesis, is always willing to take the time for guidance amid his busy life and is patience in guiding the author to compile this thesis.
3. Cut Irna Setiawati, S.A.B., M.M., as a guardian lecturer who has helped the author follow and complete studies at the Faculty of Communication and Business at Telkom University.
4. All lecturers of the Business Administration study program have provided knowledge, insight, understanding, and experience during the researcher's study at the Faculty of Communication and Business, Telkom University.
5. Faisal Firdaus, who always accompanies, always provides motivation and encouragement during the writing of the thesis.
6. To my big brother, namely Faisol Umbara, who always provide support and encouragement to complete this thesis.
7. To my Bestfriend Tamy, who always accompanied the writer in completing this Final Report.
8. Campus friends, Elta, Firda, Nafis, Wira always provide support and encouragement during the writing of the thesis.
9. All respondents who have agreed to participate and all parties who cannot be mentioned one by one who has helped.
10. *Last but not least, I wanna thank me, for believing in me, for doing all these hard works, for having no days off, for never quitting, for just being me at all times*

The writer realizes that this thesis is still far from being perfect. Therefore, the writer always expects constructive criticism and suggestions. Therefore, this thesis is valid and can be used as additional information for all parties who need it.
