

PREFACE

The author expresses deep gratitude to Allah SWT who has bestowed His grace and guidance so that the author can complete this final project entitled “DESIGN OF ENTERPRISE ARCHITECTURE BLUEPRINT FOR SMART VILLAGE IN SUMUR BANDUNG SUB-DISTRICT (CASE STUDY: SMART LIVING DIMENSION)”. This Final Project prepares to fulfill the graduation requirements for the Information Systems S1 study program, at the Faculty of Industrial Engineering, Telkom University. In preparing this final project, the author received input in the form of guidance, suggestions to support, and prayers from various parties. Therefore, the author would like to express his deepest gratitude to:

1. Mrs Berlian Maulidya Izzati, S.Kom., M.Kom. as Supervisor 1 who has provided support, direction, and advice on Enterprise architecture, and provided solutions to the questions asked.
2. Mrs. Fitriyana Dewi, S. Kom., M. Kom. as Supervisor 2 who has provided support, direction, and advice from the beginning of the research to completion.
3. Mr Rachmat Firmansyah, S.Ap, Mr Dewa Edo Aditya Kurniawan, S.AB, Mr Rachman Adhi and all other Sumur Bandung sub-districts staff who have helped provide data and information for the smooth completion of this final project.

In the preparation of this final project, the author realizes that there are still many shortcomings that need to be improved. This is due to the limited knowledge and insight that the author has. Therefore, the writer apologizes for any shortcomings in this final project. The author expects suggestions and constructive criticism. Finally, the author hopes that this Final Project can be useful and fulfill the graduation requirements. Thank you
