

## **DEDICATION SHEET**

Do not forget also give offerings as a form of appreciation to those who support me during the process. The author goes through the entire lecture process until I can complete this final project to:

1. My beloved parents, Mr Harta Purnama and Mrs Evy Rusnoviandini, for their moral support and prayers during the implementation of this final project and the education period in general.
2. To my brothers and sister, Shendya Veta Putra, Sonia Avila Veta Putri, and Asgariva Veta Tri Putra, who always give prayers and encouragement to the writer in doing this Final Project.
3. The final project group's friends, Yumna Zahran Ramadhan, Rafif Aqila Khanaspie, Nabella Denice Pramesi, Ni Putu Nita Suari, Sri Gauri Nanda Dewi, and Yunita Andella, always provide motivation, enthusiasm, advice, and a very positive vibes during the work of this Final Project.
4. My best friend M. Raditya Prabawa, Fahmi Nur Adnan, Naufal Akbari Adam, Syah Jihan Akbar Pasya, and Hafidh Zuhdi always listen to my complaints and provide continuous support and prayers during the work of this Final Project.
5. My classmates from SI-43-INT always support each other and become entertainers in class.
6. The ERP Laboratory family class of 2017, 2018, and 2019 who always entertains and provide support while carrying out their duties and responsibilities as a member of the lab.

As well as for all those who have helped the authors who cannot be mentioned one by one.
