

FOREWORD

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Assalamualaikum Warahmatullahi Wabarakaatuh.

Praise and gratitude the author goes to the presence of Allah Subhanahu wa ta'ala. Who have given many blessings, especially health benefits and opportunities so that the process of making the final project research with the title “Design of Height Measuring Equipment Based on the Foot Length of Toddlers on Digital Weight Scales” can be carried out properly. Completion of this final project to fulfill the requirements to graduate from a Bachelor of Electrical Engineering at Telkom University. The author hopes that this research can be useful for the community and become a convenience in monitoring the growth of toddlers.

The writer realizes that this research is far from being perfect and there are still many shortcomings in this research due to the limitations of the writer. The author would like to thank all parties who have contributed to provide support, direction, and input in the preparation of this Final Project. Finally, the author would like to thank all parties who have helped in the preparation of this final project and apologize for any shortcomings in this final project.

Wassalamu'alaikum Warahmatullahi Wabarakaatuh.
