

THANK-YOU NOTE

All Praise be to Allah subhanahu wa ta'ala for His blessings, guidance and grace bestowed on the writer, so that finally the writer can finish writing this final project entitled “Design of Height Measuring Equipment Based on the Foot Length of Toddlers on Digital Weight Scales” just in time.

In compiling this final project, the author did not escape from various difficulties and obstacles, but with the help and encouragement from various parties, the writing of this final project could finally be completed. For this reason, on this occasion the author would like to express his deepest gratitude and highest appreciation to all those who have helped and supported the author in compiling and completing this final project, namely to:

1. Thank you to the author's parents, Mr. Yudi and Mrs. Milawati who have been educating, giving love, support, assistance, time, and guiding and always praying for the author. I dedicate this bachelor's degree to you.
2. Mr. Muhammad Hablul Barri, S.T., M.T. as Supervisor 1 who have been educating author patiently, give support, and providing solution of this final project problem.
3. Mr. Hilman Fauzi TSP, ST, MT, Ph.D as Supervisor 2 has been patient, always able to take the time and provide solutions to make this final project perfect.
4. Author friends in “Kontrakan Petir” always give support for the author and give the solution of author problem.
5. Friends in “Pesbal Family” always provide place and support for author to rest and work on the device.

Thanks for everything, may Allah Subhanahu Wa Ta'ala give back all your kindness in double for the knowledge, time, and sustenance to the author in completing this Final Project well.
