

ACKNOWLEDGMENT

With sincere thanks, the author has finally completed their undergraduate thesis. In its preparation, numerous individuals provided valuable support, guidance, and assistance, making this work a reality. The author would like to express their heartfelt appreciation to all who contributed, including:

1. Allah SWT, with deepest gratitude, the author would like to express their sincere thanks to Allah Almighty for blessing and guiding throughout the journey of completing this project.
2. With sincere appreciation, the author wishes to express their deepest gratitude to their parents. Their unwavering love, support and encouragement throughout the journey of completing this undergraduate thesis has been invaluable and has played a crucial role in its success. The author will forever be grateful for their guidance and for always being there to pick them up when they needed it the most.
3. Dr. Nyoman Bogi Aditya Karna, S.T., MSEE., with deep gratitude, the author would like to express their appreciation to their first supervisor for their constant guidance and support throughout the completion of this research. His valuable insights and advice have been a great source of inspiration and have helped shape the final outcome of this work. The author is truly grateful for his unwavering commitment and dedication to this project.
4. Arif Indra Irawan, S.T., M.T., with sincere appreciation, the author would like to express gratitude to the second supervisor for their invaluable support, guidance and constructive feedback throughout the entire research process. His expertise and knowledge have greatly helped to enhance the quality of this thesis. Thank you for being a great mentor and advisor.
5. Agus Dwi Prasetyo, S.T., M.T., the author would like to extend his sincerest gratitude to their academic supervisor for their unwavering support, guidance and encouragement throughout the entire thesis process. His expertise and dedication greatly contributed to the successful completion of the thesis. Thank you for being an invaluable part of this journey.

6. Caca, Nigo, Ratna, and Dyah, with deepest appreciation, the author would like to express their gratitude to their best friend for being a constant source of support and encouragement throughout their journey. Their unwavering friendship and kindness have been invaluable and greatly contributed to the successful completion of this work.
7. My beloved person occupants of CTA residences room 03H, also olen and popo as a cat, with sincere appreciation, the author would like to express gratitude to their significant other for their unwavering love, support and understanding throughout the journey of completing this undergraduate thesis. ILY baby.
8. Maw, Adryan, Ozi, and Savira, with sincere appreciation, the author would like to extend their gratitude to their friends for their unwavering support and encouragement throughout the completion of this thesis. Their constant motivation and friendship have been a source of strength and the author is truly grateful for their presence in their life.
9. Nathan and Azar, with heartfelt gratitude, the author would like to express the utmost appreciation to the housemate friends for their unwavering support and companionship during the preparation of this undergraduate thesis. Their presence has been a source of comfort and strength, making the journey of completing this thesis much more enjoyable and memorable. Thank you so much.
10. TT-43-INT, the author would like to extend their gratitude to their classmates who have been a source of support and encouragement throughout their academic journey.
11. All parties who cannot be named, with sincerest gratitude, the author extends their thanks to all those who have supported them throughout the creation of this thesis, including those who cannot be mentioned here. Thank you for your unwavering guidance and encouragement, which has helped bring this work to completion.
