13. Last but not least, I want to thank myself. I want to thank myself for believing in myself. i want to thank myself for doing all this hard work. I want to thank myself for not having a day off. I want to thank myself for never quitting. I want to thank you for always being a giver and trying to give more than I take. I want to thank myself for trying to do more right than wrong. I want to thank myself for being myself all the time. The author realizes that this final Project is still far from perfect, both in terms of writing techniques, language structure, and scientific perceptions. For this reason, the researcher really hopes for suggestions and constructive criticism for future improvements. The author also hopes that this final Project can be useful, especially for the researchers themselves, and generally for Telkom University students.
