

## **DEDICATION SHEET**

I dedicate this study to all the individuals who have contributed their time, effort, and expertise in making this endeavor a reality. Our heartfelt gratitude goes to:

1. Both of my parents, Mr. Bramantya Wardana and Mrs. Lilya Susanti, for their motivation, prayers, and all forms of support given to the writer while preparing this thesis.

3. The final project group, Gregorius, Chaula, Mutiara, Emer, Firenze, and Zeza, provided motivation, advice, and encouragement to fight together to prepare the final project.

4. Members of the SI-43-INT who have always been family and have always provided motivation and encouragement to this day.

As well as for all those who have helped the authors who cannot be mentioned individual.
