

## FOREWORD

Praise and gratitude to God Almighty for the blessings that have been given, thus the final project report entitled “Directing a Short Film About Early Adults Who Are Experiencing a Quarter Life Crisis Phase Titled “Breathe” can be completed as one of the requirements for obtaining a bachelor’s degree in Visual Communication Design Study Program, School of Creative Industries, Telkom University.

In the process of designing and writing, there were lots of prayers, assistance, and support from various parties, thus on this occasion the writer would like to express his deepest gratitude to:

1. To Mrs. Ni Wayan Yuriati as the writer’s mother that already helped the writer since the beginning until this far.
2. To Mr. Yosa Fiandra, B.A., S.Sn., M.Sn and Mr. Irfan Dwi Rahadianto, M.Ds as the writer’s advisors have already helped and directed the writer to finish this final project.
3. To Mrs. Sri Nurbani as the writer’s class advisor that has guided and provided encouragement and also the support.
4. To Mrs. Tiara Radinska Deanda, M.Ds as the writer’s first examiner and Mr. Patra Aditia, S.Ds., M.Ds as the writer’s second examiner that has given the writer criticism and suggestions throughout this final project.
5. To all lecturers of Telkom University in Visual Communication Design Study Program for the knowledge and guidance that have been given.
6. To informant and various parties who participated in the writer’s final project in data collection.
7. To Ida Ayu Risky Damayanthi, B.Ed as the writer’s partner who encouraged the writer throughout this time.
8. To Haldy Koesoema, Titan Ganiy, Satriya Lintang, Gede Gema, Komang Dirtayasa, Wira Hadi, Wah Tanca, Agus Janardana, Putu Bram, Arya Sindura, Revita Amalia, Niken Rengganis, Amelia Pane, Hana Aghnia, Kirana Medhawi, Arinta Maharani, Felita Delvina, Rsi Devi, Adi Wahyudi,

Erix Wijaya, Muliawan Al Amien, Alvein Dhiwail Haq, Aqilah Nadhira, Fathan Tanzilal, Muhammad Hamzah, Cipta Ulung, Ihsan Adly, Faris Hilmy, etc who have supported and fought together throughout this final project.

This final project report still contains errors and disadvantages. Therefore, the writer apologizes and welcomed to any suggestions and critics that will be given. Hopefully this final project could give benefit to the readers.
