

ABSTRACT

Cynthia Agustine, Karyna, 2014, the Muslim Feast Design Clothing Children Age 3-5 Years With Aladdin Theme Craft Studies Program Textile and Fashion, Design Department

Key words: Trend Clothing, Children's Clothing Party, and Fables Aladdin

The phenomenon of Muslim fashion trends that occurred in Indonesia inspire governments to promote Indonesia as a center of Muslim fashion trend of the world in 2020 (www.muslimbusana.com). This is an opportunity the Muslim fashion designers to create a more diverse and fashionable. Development of Muslim fashion is not only for adults, but also for children clothing.

The phenomenon of Muslim fashion trends in clothing inspire children to lift the fairy tale writer Thousand and One Nights the basis of ideas and themes to make the work of Muslim fashion child. Aladdin and the Magic Lamp appointed as inspiration and poured into the work of Muslim fashion kids because it has a characteristic that reflects the Middle East fashion. Muslim fashion inspiration child with fairy tale of Aladdin and the Magic Lamp removed because it is one of the most iconic characters in the fairy tales of the Arabian Nights. This theme is based on the author's understanding of the story of Aladdin and the Magic Lamp from the character, costume, color, setting, storyline.

From the theme of Aladdin and the magic lamp, the authors use the technique of manipulating fabric and fashion redesign Aladdin and Jasmine to achieve the character of Aladdin and Jasmine use purple, turquoise, magenta, red, nude, and gold. By applying the material sateen, taffeta, organdy, velvet and Muslim tulle. Busana author designed to teach children to learn to use the early Muslim fashion.
