

Auditing and Assurance Services

Auditing and assurance services: an integrated approach is an introduction to auditing and other assurance services. It is intended for either a one-quarter or one-semester course at undergraduate or graduate level. This book is also appropriate for introductory professional development course for CPA firms, internal auditors, and government auditors.

The primary emphasis in this text is on the auditor's decision making process in both an audit of financial statements and an audit of internal control over financial reporting.
