Islam is a religion that has the most followers in Indonesia. And every year the moeslem gladly celebrate the fasting month or Ramadhan. one of the requirement to fasting is when someone has *akil baligh* and he/she can be trained when he/she already 7 years old. There are so many recommended positive activity to do on Ramadhan, such as taraweeh, zakat, etc. Children education is one of parents duty, but many of them are not teach their children about the Ramadhan acivity yet. Children can get information of Ramadhan in many ways, such as from books. The purpose of this final project is to design a pictorial story book as a media that can educate children about Ramadhan and positive activity during Ramadhan.

This final project get the information from observating the similar books, literature study, interviewing the expert, and distribute questionare to parents dan interviewing some kids. And hope that this final project can help the children to know about positive activity during Ramadhan before they have to do their duty as a mosleem.
