

## **ABSTRAC**

Simalungun Museum is a museum that holds relics of objects, Batak Simalungun Simalungun Museum is located in the city of North Sumatra Siantar . The researchers' goal lifted Museum Simalungun as a final project for very poor condition Simalungun Museum. The absence of media information / media websites and promotions making it difficult for visitors to access the Museum Simalungun. Therefore, researchers create a website design Simalungun Museum.

Hopefully, by the design of the lifting of the Museum Simalungun can give some information to the public around the same time sensitize the public to be more concerned with the Museum Simalungun.

Key word : *Website Simalungun Museum, Simalungun Museum, Simalungun.*
