

PREFACE

All Praise is due to Allah SWT for all his blessings for providing me strength and good health so that I could accomplish my final project entitled,

“Test of the Purchasing Power Parity in Indonesia using cointegration approach periods 2005-2012”.

This mini thesis has made to submitted as partial fulfillment to achieve bachelor degree major of International Business Management Telecommunication and Informatics.

The process of completing this research has already involved both directly and indirectly, that the author would like to show her appreciations and thank to all of them as below:

- My beloved Parents, Hendi Suarsa and Iis Sumartini and also my big brother, Indra Kurniana which are in a beautiful place there. I can feel you all accompany me through this. I love you and I miss you so much.
- My lovely sister and brother, who love and support me.
- My big family who encourage me, always pray for me, motivate me patient with me and taking care of me. Thank you for everything.
- Dr. Riko Hendrawan, who has both guided and motived me on doing this final project. Thank you for all knowledge, times and patience in supervise me. Your suggestion and information are really valuable and helpful for me in the process of conducting this research.
- Mrs. Nora Amelda Rizal, MM, Mrs. Irni Yunita, ST., MM and Mr. Muhammad Azhari, SE., MBA as my reviewers who have provided me suggestion and guidance for improving my final project into better form.
