**Abstract:**

Lunar New Year Festival in Selatpanjang, Meranti Islands District has become part of the tradition in the City of Selatpanjang. Welcome the new year Chinese new year in Selatpanjang there is a festival of war water or called Cian Cui that lasted for six days in a row. Cian Cui is a water war games that became one of the festival in the booth at the series of the celebration of the Chinese New Year 2568, on 2017 in the city, Selatpanjang high cliff in the sub-district, Meranti Islands, Riau Province. The water war started at 16.00 wib and ended at 18.00 WIB. The participants of the war of the water passing through the road route Kartini street, Imam Bonjol street, Ahmad Yani street, high cliff road and Diponegoro street in Selatpanjang. The water war done Chinese community, Selatpanjang community, or tourists while “becak” that walked around in the city of Selatpanjang. When around with “becak” they poured water from the water supply that they carry. The Festival ends when the feast of the sixth Chinese new year that is filled with the parade of cultures. Chinese citizens around the tens of kelenteng and vihara as the form of the ritual of the feast. In addition, because this activity have been packed to tour destinations, parade participants also filled with multicultural Australia activities where there is Reog Ponorogo that is the cultural attractions of East Java. Therefore the author is interested to lift into a documentary bergenre reconstruction with the duration of the 15 minutes to see directly the festival of war water that become the most awaited event when new year Chinese New Year in Selatpanjang. The authors use the DSLR camera to catch the moment is of course with the support of the full HD technology.
