

Abstract:

Narcotics is a drug or a natural, synthetic substance that can cause a decrease in consciousness, eliminate or reduce the loss of feeling or pain and changes in consciousness that cause dependence on the substance continuously. Examples of famous narcotics are like marijuana, heroin, cocaine, morphine, amphetamines, and others. Understanding of narcotics according to Law / Law no. 22 years 1997. But there are still many people who still use narcotics for a variety of reasons. One of them Lombok area, especially in Gili Trawangan which still many uses and circulate drug there from data of BNN Gili Trawangan become one of the areas which still high, will user and distributor there, even more, there is the place of tourism which enough interest by foreign tourists and local tourists. Therefore, the author is interested to lift this phenomenon into a documentary film with a duration of 16 minutes. The film is made using a 60D camera to support images and sound to appear more clearly and support sharp images, and of course with support technology FULL HD

Keywords: Documentary Film, Drugs, Biography, Social Awareness, Lombok, Indonesia.
