

ABSTRACT

Since 2015, Bandung have crowned as an one creative city by UNESCO. Various of creation by Bandung society have been noted by many people, one of them is Performing Art. The Performing arts, such a Dance, Theatre, and Music, have growing rapidly in Bandung, both modern and traditional. In point of fact, Bandung have become a barometer of Performing Art in Indonesia for long time ago. Because of that, indeed a place to accomodate the artist activit, to show and envolve theor creation, such as Permorming Art Building.

Based on the review of the literature and the interview result, the problem from the performing art buildings in Bandung, they are not enough representative as well as a representative performing art building as usual, both in terms of design and facilities.

So, based on problem, the design purpose, and the own performing art, themes proposed is Happiness Expressin of Sharing. This themes pupose sharinf concept, wherethe audience can see some of behind the scene of the show, from available spot. So, the audience can more curious and respect with the show
