

Abstract

Indonesia Independence has a lot of history, memories, and a lesson for the people of Indonesia. One of the stories that are part of the Indonesian state to gate toward independence is a story of struggle Ir. Soekarno while fighting for the independence when he was a student, married with Mrs. Inggit Garnasih, exiled by the Dutch to Flores and Bengkulu. Most of all Indonesian doesn't know the history of Ir. Soekarno and Mrs. Inggit Garnasih struggles, 1st Soekarno's wife before Ir. Mrs. Fatmawati. In those days, Many steps of Soekarno that must to be faced to make Indonesia into an independent state.

One way to preserve the moment and the history that is to insert it in a history lesson in formal schools. However with long stories that many people find it difficult to remember and understand the history of Indonesia. One possible solution is to package these lessons into a game.
