

SHEET OF DEDICATION

Alhamdulillahirobbil Alamin, all praise and gratitude to Allah SWT, because with His blessings and grace the author able to finish the Final Assignment. On this occasion, the author would like to express my gratitude to the parties who have given spirit, motivation, help, and pray. The author would like to thank:

1. Allah SWT, he is the most gracious, the merciful, the supreme, who always gives health, and realize if pray after Shalat is really important for every human being that believe in religion.
2. Mr. Muhammad Dina Anwar, SH, MH and Nurhasanah, as both parent from author who never stop praying for the author, feedback, encouragement, and motivation to help author realize his ideals. Father who has never been discouraged, never came a single word of “tired”, all the way he lived and twisted his mind and spend a lot of energy to just seek a sustenance for tuition fees solely so that author can stay at collage and finish college in overseas, Mother who always guides the author to take the right path in the society, and she never tried to tell the author to do the right things in life, and she is a mother who willing to sacrifice anything for the author in order to achieve the author dream, Hopefully this success is just the beginning to get into the real life (work-life), the author typing the words of this offering to shed a tears, how many sacrifices they’ve both willing to do, the kindness, all of my author life was dedicates to both of you “MAH, YAH”, they means the world to the author, without them, author just don’t know anything and never reach to this stage.
3. My sister, Dian Nur Hasnawaty, congratulation for your married that made me cry for a while. She is my mirror, shining back at my with a world of possibilities, she is my witness, who sees me at my worst and best, and loves me anyway. She is my teacher, my defense attorney. Some days, she’s the only reason that keep me believe if there is nothing impossible to achieve even a dream that seems impossible.
4. My elder brother and wife, Hamka El Badry, Kartika Septiarini Jn, My second brother and wife, Hasan Kurniawan, Dwi Suci Wulan Maulidah, I grew up with an older brother, and the bond between siblings is unlike anything else, and it can be a real journey and lesson to accept what that bond is once we’ve both mature into it. Because it’s not always what you want, it’s not always what you expect, it’s not always what you imagine or hoped, but it’s one of the most important things in the world to have the coolest brother in the entire universe. I feel so grateful for being “uncle” for your kids, they give me strength to smile and live my life, and always makes me feel homesick every time I went outside the city, and I wish them my thank you.

5. Akbar Amir S, Si, Kom and Made Larita Ditakristy S, Si, Kom, senses of humor define people as factions, deeper rooted than religious or political options. When carrying out everyday tasks, opinions are rather easy to set aside, but those whom a person shares a senses of humor with are MY closest friends. They've both always there to make the biggest influence for me to complete this final project.
6. All of the member of IK-36-02 (who cannot be mention one by one) thank you for having been a family while we're study together at Telkom University, even we came from a different culture, and different family but when we share a cup of drink it just made us be something bigger as a FAMILY that help each other, such as study group during the mid-term test, etc. I wish nothing but the best for all of you mate.
7. Student English Society that provide so many lessons and experiences on the sidelines of positive activities and give lots of good vibes to learn about something new, especially STORY TELLING DIVISON that give such a joy to be one part of them, thank you so much for all the time that we spend together. Such a pleasure to work again with you one day.
8. Mr Erwin Budi Setiawan S, Si, M, T as my first adviser, without his blessing, that feel impossible for me to be on this stage, thank you so much for being the most patient person while he have to dealing with the most annoying student like me, thank you for everything.
9. Irfan Syarif Anwar, pale face boy that used to give me a shelter while I don't have a place to sleep, he kind of dude that love to sleep a lots without a reason. Thank you for being kind, and your hospitality means a lots.
10. Johanes Panjaitan, Gollum, yeah the most ugly creature on the lord of the ring movie, I called him "Bogel" he always have the most incredible jokes even sometimes his jokes is full of non-sense to me and that still work and make everyone that nearby smile because his jokes.
11. Muhammad Nugraha, a friend that I found after I play dota nearest with my condo, at the first time I though he just one of the stupid dude that skip all the class just for a game, even that is quite true, but he actually a good person that willing to help me and being the most understanding person, coming from a different culture background that give me a different lesson and manner.
12. Adyasa Sasmita, my childhood friend that always help me in so many ways, money, lesson, practicing, and many more. He just give me a lots of lesson in life, and he the kind of dude that I proud of. His life lesson, become my inspiration because I do believe if "process is the key for being a success" and sooner or later we've both will reach at that point. Thank you mate.
