

## ACKNOWLEDMENT

Bismillahirrahmanirrahim.

Alhamdulillah rabbil'alamiin, for the praise and gratitude of the presence of Allah SWT who has given grace and her ridho so that I can arrange research entitled "Suggestion of Improving the Production Planning In Newspaper Printing Process To Reduce Waste Overproduction With Lean Manufacturing Approach At PT. Pikiran Rakyat ". The author realizes that the preparation of this Final Project can be done and completed thanks to prayer, guidance, and support from many parties. Therefore, the author would like to thank to:

1. Allah SWT, the One and Only who has provided help and ridho during the research of this final task. Thank You O Allah, You always guide me when through difficult times, for only You are the Most Gracious, the Most Merciful.
2. My father, Dr. Maman Wijaya, M. Pd. and Mamihku, Dr. Rina Andriani, M. Pd. who always give motivation, direction and guidance, spirit, and all its input during the learning process both in college and preparation of Final Project. Aaku, Lazuardi Ismail Firdaus and my sister, Latitude Aulia Wijaya who always give motivation, input, always entertaining and accompanying me.
3. Mr. Agus Alex Yanuar, S.T., M.T. as coach and mentor 1 and Mrs. Ir. Widia Juliani, M.T. as mentor 2 who always provide suggestions, motivation, and life lessons during the research This Final Project.
4. Mr. Iman, Mr. Dedy, Mr. Romadhon, and Mr. Dody as the party of PT. Pikiran Rakyat is always patient in answering questions and helps in providing information. May the father and family always be given health and sustenance by Allah SWT.
5. Muhammad Faris Solihin as the Final Task partner who endeavored from the beginning to the end we are waking up looking for data and company, and always provide motivation, support, and assistance during completing this Final Project.

6. Nurul Fitri as a business partner, vent, a life partner who always give backups during the implementation of this Final Project. Hopefully we can be successful together yaaa!
7. BIN Group consisting of Mohammad Badar and Muhammad Naufal Sayidiman who always provide motivation, provide understanding, and always provide assistance during the implementation of this Final Project.
8. Chili Group (Citra Septi Brilliane, Tria Mustika, Fadhillah, Adinda Farhana, Shafira Nasution) who is always listening and motivating, down and up we always together when faced with problems in lectures. See you on top!
9. The core and director of the Indonesia Marketing Association 2014 (Hardi Kusupriadi, Ikhan Nanda, Adinda Farhana, Fadhillah, Ratu Ayunda, Adi Riyanto, Salsabila Diarne) Thank you guys always there and entertaining in the hard times, thank you for the life lesson.
10. Family of APK & E Laboratory Assistant that is GAMANANTA 2014 (SAY, KRH, IND, ANC, NCS, FAS, DEL, RMK, NUF, TAV, CAA), and also join my family APK & E for amanah from Keluarga ATYANTA 2013 (ABE, MAM, REY, CAY, BNE, JID, TRA, LYN, SGH, SCH, HIL, DEB, FAR, TRO, UGA, RAV, PSY, ICT) and VERENIGEN 2015 (TVN, ARD, IFT, NYA, TJI, KEN , GHS, DRA, AUL, HLV, BAR, ZYH, CRS, TWI, FIA) for the spirit and assistance that is always there beside me during conducting this Final Project.
11. All parties who directly or indirectly assist in the implementation of this Final Project, apologize if not included in this page. May all your help be replaced by Allah Almighty Amin.

The authors say that the preparation of this Final Project is still a lot of weaknesses so it takes advice in this Final Project. Hopefully this Final Project is useful for those who need it. So many thank you are given, apologize if there are a less favorable sentences for all parties.

Bandung, 15 January 2018
