

**PAN & KOSICKI FRAMING ANALYSIS NEWS OF 2018 PRESIDENT CUP
INCIDENT ON ONLINE MEDIA KOMPAS.COM & TEMPO.CO FEBRUARY
2018 EDITION**

ABSTRACT

Research titled "Politics and Indonesian Football (Framing Pan and Kosicki analys the incident Anies Baswedan of President Cup 2018 in online media Kompas.com and Tempo.co February 2018 edition)" aims to see how the news on issues the governor Anies Baswedan detained by security forces president while trying to accompanying President Jokowi to the podium title going viral in social media framed by two online media namely Kompas.com and Tempo.co February 2018 edition in terms of syntactic structure, thematic, and rhetorical script. Which is a writer wear at this research analytics framing Zhongdang Pan and Kosicki. The research's method is qualitative study

The results of the study show that the framing of an online media Tempo.co do more neutral and complete in chronological order .This can be seen from the title of the news and the contents of news delivered in accordance with a statement of the source of information. Were also detail in Tempo.co contains a statement from speakers. While framing news conducted by online media Kompas.com more show partiality to the Anies Baswedan the fact that the title and the mention of the name in the news. Kompas.com can also be seen not be complete inserting a quotation from the source of information that is visible shorter than Tempo.co. Kompas.com as if want more showed his political side who became a macro issue in at this discourse.

A conclusion in research looking significant differences between the media online kompas.com and tempo.co in the framing in the news of the the incident Anies Baswedan on the 2018 President Cup.
