LIST OF FIGURES

2.1 Backpropagation Neural Network with one hidden layer 12

3.1 Block diagram 18
3.2 Backpropagation diagram 19
3.3 Backpropagation Training Process 20
3.4 Backpropagation Testing Process 22
3.5 Prediction plot 24
3.6 Portfolio plot 25

4.1 Comparison Backpropagation 80%:20% BNI Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 35
4.2 Comparison Backpropagation 80%:20% BNI Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 36
4.3 Comparison Backpropagation 80%:20% BNI Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 37
4.4 Plot BNI Stock Price during 1 year ahead 38
4.5 Comparison Backpropagation 80%:20% BCA Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 39
4.6 Comparison Backpropagation 80%:20% BCA Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 40
4.7 Comparison Backpropagation 80%:20% BCA Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 41
4.8 Plot BCA Stock Price during 1 year ahead 42
4.9 Comparison Backpropagation 80%:20% Mandiri Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 43
4.10 Comparison Backpropagation 80%:20% Mandiri Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 44
4.11 Comparison Backpropagation 80%:20% Mandiri Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 45
4.12 Plot Mandiri Stock Price during 1 year ahead 46
4.13 Plot BNI, BCA and Mandiri Stock Price during 1 year ahead 48

B.1 Comparison Backpropagation 60%:40% BNI Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 73
B.2 Comparison Backpropagation 60%:40% BNI Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 74
B.3 Backpropagation 60%:40% BNI Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 75
B.4 Comparison Backpropagation 60%:40% BCA Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 76
B.5 Comparison Backpropagation 60%:40% BCA Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 77

B.6 Comparison Backpropagation 60%:40% BCA Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 78
B.7 Comparison Backpropagation 60%:40% Mandiri Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 79
B.8 Comparison Backpropagation 60%:40% Mandiri Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 80
B.9 Comparison Backpropagation 60%:40% Mandiri Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 81
B.10 Comparison Backpropagation 70%:30% BNI Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 82
B.11 Comparison Backpropagation 70%:30% BNI Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 83
B.12 Comparison Backpropagation 70%:30% BNI Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 84
B.13 Comparison Backpropagation 70%:30% BCA Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 85
B.14 Comparison Backpropagation 70%:30% BCA Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 86
B.15 Comparison Backpropagation 70%:30% BCA Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 87
B.16 Comparison Backpropagation 70%:30% Mandiri Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 88
B.17 Comparison Backpropagation 70%:30% Mandiri Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 89
B.18 Comparison Backpropagation 70%:30% Mandiri Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 90
B.19 Comparison Backpropagation 80%:20% BNI Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 91
B.20 Comparison Backpropagation 80%:20% BNI Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 92
B.21 Comparison Backpropagation 80%:20% BNI Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 93
B.22 Comparison Backpropagation 80%:20% BCA Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 94
B.23 Comparison Backpropagation 80%:20% BCA Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 95
B.24 Comparison Backpropagation 80%:20% BCA Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 96
B.25 Comparison Backpropagation 80%:20% Mandiri Stock 1 months training, testing and prediction with 20 input data as target and prediction (daily) 97
B.26 Comparison Backpropagation 80%:20% Mandiri Stock 1 months training, testing and prediction with 4 input data as target and prediction (weekly) 98
B.27 Comparison Backpropagation 80%:20% Mandiri Stock 1 months training, testing and prediction with 1 input data as target and prediction (monthly) 99
