

ABSTRACT

Football is a most favored by various groups of people until now, not least in Indonesia which has 88 clubs from various regions. BCS Sleman is known as a big supporter in Indonesia, which always shows its solidarity in providing support.

Of course the cohesiveness formed cannot be separated from the role of "conductor", which is not just anyone able to coordinate thousands of supporters to become one voice. Batak Jore, who were given the mandate to become the leader on BCS tribune then coordinate thousands of BCS supporters in one command.

The documentary film named 'Voice of the Leader' is a 9-minutes film that gives a picture to the public about the important role of a Conductor in order to organize thousand of supporters so that they can create a competitive atmosphere without need to act anarchistically
