Table IV.1 Provision of True Customer Needs Code.....	38
Table IV.2 CSI and Kano Categories.....	39
Table IV.3 Adjusted Importance Value.....	40
Table IV.4 Adjusted Importance and Ranking.....	41
Table IV.5 Technical Characteristics.....	43
Table IV.6 Direction of Goodness Categories.....	46
Table IV.7 Direction of Goodness for Each Technical Characteristics.....	46
Table IV.8 Correlation Rate of True Customer Needs with Technical Characteristics.....	47
Table IV.9 Correlation Symbols Each Technical Characteristics.....	48
Table IV.10 Technical Characteristics Unit.....	50
Table IV.11 Technical Characteristics Target.....	51
Table IV.12 Probability and Column Weight Value of Technical Characteristic.....	53
Table IV.13 Percentage Column Weight and Ranking.....	54
Table IV.14 Fulfillment of Technical Characteristics Target.....	54
Table IV.15 Concept Development.....	56
Table IV.16 Concept Assessment Matrix.....	58
Table IV.17 Critical Part.....	60
Table IV.18 Direction of Goodness.....	62
Table IV.19 Critical Part Target.....	65
Table IV.20 Probability and Column Weight of Critical Part.....	67
Table IV.21 Column Weight Percentage and Ranking Critical Part.....	68

Table V.1 List of True Customer Needs .....	71
Table V.2 Attribute Requirements Based on Adjusted Importance Value .....	73
Table V.3 Comparison of Gagas Ceria Kindergarten and Competitors Technical Characteristics .....	81
Table V.4 Reasons for Determining the Target of Gagas Ceria Kindergarten's Technical Characteristics .....	85
Table V.5 Ranking of Technical Characteristics and Target Fulfillment .....	90
Table V.6 Priority Development of Technical Characteristics .....	90
Table V.7 Critical Part with Direction of Goodness (TB) .....	92
Table V.8 Critical Part with Direction of Goodness (MTB).....	94
Table V.9 Study Comparison of Critical Part.....	98
Table V.10 Reasons for Determination of Critical Part Target .....	107
Table V.11 Ranking of Critical Part and Target Fulfillment .....	116
Table V.12 Development Priority of Critical Part .....	118
Table V.13 Recommendation of Facility Operational Management Standards .	120
Table V.14 Recommendation of School Health Standards.....	121
Table V.15 Recommendation of Learning Curriculum Standards.....	122
Table V.16 Recommendation of Academic Qualifications of Educators .....	124
Table V.17 Recommendation of Educator Management Standards .....	125
Table V.18 Recommendation of Learning Evaluation Standards.....	127
Table V.19 Recommendation of Media for Communication.....	128
Table V.20 Final Recommendation for Developing of Organizing Education Services .....	130
Table V.21 Final Recommendation and True Customer Needs .....	134
