

## PREFACE

Alhamdulillah, praise to Allah Subhanahu Wa Ta'ala who gave me great chances to finish this proposal entitled **“The Influence of Training Towards Nurse Performance in Emergency Unit at Cibabat General Hospital Cimahi”** in Partial Fulfillment of the Requirements for the Degree of Bachelor International ICT Business, Telkom University, Bandung.

In completing this proposal, the author earned guidance, suggestions, and big motivations from many parties. Therefore, the author would like to deliver the appreciation to:

1. My parents for the continuous support and affections.
2. Dr. Fetty Poerwita Sary S.S,M.Pd. as my supervisors and the author's academic supervisor who always help, support and give guidance to conduct the research. Thank you for all the knowledge, experiences, times, and patience.
3. My class, International ICT Business MB-39-INT -02 Batch 7 2015, thank you for the friendship you gave, thank you for the enjoyment I got, and thank you for everything in this past 3 years.
4. All of my friends in International ICT Business Batch 7 2015 friends who continuously help and give me support by sharing knowledge.
5. All people in my college life whom I cannot mention here one by one.

The author apologizes if there are deficiencies found in this research. The author hopes the research findings can be used as learning materials for better research in the future.
