

ACKNOWLEDGEMENT

The author would like to express his biggest thanks to Lord Almighty for his gratitude and also for always giving the authors blessing both in the study and everyday life throughout my stay at Telkom University.

The authors family always support to finishing this bachelor thesis. The support of parent that always gave prayers and advice to the author.

The author would also like to give his biggest thanks to his Supervisor I, Dharu Arseno, S.T., M.T., his Supervisor II, Edwar, S.T., M.T. are a kind and caring supervisor that always motivates and teach the author in his thesis, without their guidance, authors bachelor thesis will not be completed. Also to all of the lecturer from the first semester until now who have already taught and believed the author in college.

The author also not to forget to all of his friends that keep supporting the author in finishing this thesis.

The author humbly and sincerely say thank you from the bottom of his heart and the author will always pray and hope that God may bless and guide us always.

Bandung, July 2019
