

## ACKNOWLEDGMENT

Praise to Allah Subhanahu Wa Ta'ala, who has bestowed His grace, guidance and gifts also for His bless to let me completed this thesis. I am fully aware that the realization of this thesis is due to cooperation and assistance from various parties. The purpose of this study is to fulfill one of the graduation requirements for the S1 level of Business Management Study Program in Telecommunications and Information Technology Faculty of Economics and Business, Telkom University Bandung. Therefore, on this occasion I would like to thank the honorable:

1. Indrawati, Dra., MM., Ph.D. as the author's supervisor who has provided guidance, time, direction, advice and support so that the author can complete the writing of this thesis.
2. Mrs. Irni Yunita, S.T., M.M as the author's Academic Supervisor who give guidance during the college study.
3. My dearly parents, Darmanto and Listiani for the endless support and warmth that they always give me.

The author also aware that this thesis is certainly far from perfection due to the limited knowledge and experience of the authors. Therefore, criticism and suggestions from various directions that are constructive are highly conceived for the perfection of this report.

Bandung, 27<sup>th</sup> August 2019
