

ABSTRACT

Islamic boarding schools are Islamic educational institutions that aim to learn, understand, explore, appreciate, and practice Islamic teachings by emphasizing the importance of religious morality as a guide to daily behavior. This Al Ilham inspiratif boarding school is formatted as a modern boarding school (khalafi) consisting of Inspirational Middle School and Inspirational MA and Fullday School namely Inspiring Islamic Integrated School (IT). The location of the pesantren is in Bojongsari village, Bojongsoang sub-district, Bandung Regency and has been established since 2014. The Al Ilham Inspirant Islamic Boarding School is an inclusive school that tries to carry out a quality education system with the formation orientation of students who have ulama character and leadership spirit under the auspices of the Cinta Foundation For the country. The supporting facilities at the Al Ilham Islamic Boarding School have not met the standards to meet the user's comfort requirements which include ergonomic aspects, lighting, air conditioning and design in a room. Based on the description above, it can be concluded that there is a need for an interior redesign process of Al Ilham Islamic Boarding School to facilitate learning facilities that are in line with the pesantren's needs and to solve interior problem aspects so that they can be in line with the Vision and Mission of Al Ilham Islamic Boarding School. the context of the location of the pesantren is the area with a tropical climate.
