

## Abstract

Sumedang is one of the regencies in West Java Province which consists of 26 sub-districts with 272 villages and 7 sub-districts with an area of 152.220 hectares (website). Most of the residents of Sumedang are Muslim fanatics because of the spread carried out by Sunan Gunung Jati. Community needs for education, especially for modern boarding schools, is one of the containers that should be owned. Islamic Boarding School is an educational institution in which there are several functions, namely residential, learning, and office. The existence of Islamic boarding schools is certainly very important to build an Islamic generation in accordance with the rules of the Quran .

This Modern Cottage is systematic and gradual which introduces a new system for the pesantren world so as to provide learning comfort that can make students become a qualified generation of Muslims. And this modern cottage also considers the ideal number of users in a room and plans a good space organization.

Keywords: Islamic Boarding School, Muslim.
