

ABSTRACT

Bukittinggi is one of the tourist cities with a lot of tourist detention in Indonesia in West Sumatra. With many tourism sectors and a priority for the government. The Head of the Tourism and Youth Tourism Office recorded 178,693 tourists visiting tourist attractions in the city of Bukittinggi, West Sumatra. Travelers who come need comfortable accommodation facilities and can support their tourism activities while in Bukittinggi. Also supporting facilities for the main activities of tourists for activities such as hotels that support the activities of natural and cultural tourism in Bukittinggi. This can be a great opportunity for West Sumatra, especially Bukittinggi to introduce culture to tourism that comes on vacation to Bukittinggi.

On this occasion the literature study phase was related to the design of four-star hotels and carried out analyzes related to four-star hotels. "Membangkit Batang Tarandam" is a theme that can be obtained from the process of analyzing problems and describing design solutions from the approach of Locality Culture. Through these proposals it is expected to be able to present the interior design of four-star hotels in the city of Bukittinggi which can help preserve Minangkabau culture
