

LIST OF TABLES

Table 2.1: Comparison of Dynamic Biometric	12
Table 2.2: Advantages of The Dynamic Voice	13
Table 2.3: Syllable Types in Indonesian	17
Table 3.1: Syllable Types in Indonesian	24
Table 3.2: The Occurrence Presenatation of Words Consisting of Two Syllables	25
Table 3.3: Example of Quantization Process	29
Table 3.4: Example of Amplitude Normalization Process	32
Table 3.5: Example of Transfer Active Signal	38
Table 3.6: Respondents for Training Phase in Capability Evaluation	68
Table 3.7: Words for Training Phase in Capability Evaluation	68
Table 3.8: Syllables for Training Phase in Capability Evaluation	69
Table 3.9: Enrolled Persons for Testing Phase	71
Table 3.10: Unenrolled Persons for Testing Phase	71
Table 3.11: Word in The Server Repository	72
Table 3.12: Words That Are Not In The Server Repository	72
Table 3.13: Syllable Types	74
Table 3.14: Presentation of Word Occurrence	74
Table 4.1: Verification Result Using Fingerprint and Voice of Unenrolled Person Using Words Which in Existing Database	79
Table 4.2: Authentication Result Using Fingerprint and Voice of Unenrolled Person Using Words Which Is Not Exist in Database	80
Table 4.3: User Authentication Result Using Fingerprint and Voice of Enrolled Person Using Words Existing Database	82
Table 4.4: Authentication Result Using Fingerprint and Voice of Enrolled Person Using Words Which Is Not Exist in Database	83
Table 4.5: Presentation of FP and TN On The Proposed System in Case: Genuine Fingerprint and Genuine Voice	85

Table 4.6: Presentation of FP and TN On The Proposed System in Case: Spoofing Fingerprint and Genuine Voice.....	85
Table 4.7: Presentation of FP and TN On The Proposed System in Case: Spoofing Fingerprint and Spoofing Voice (Recording).....	85
Table 4.8: Presentation of FP and TN On The Proposed System in Case: Spoofing Fingerprint and Spoofing Voice (Morphing)	85
Table 4.9: Comparison of Presentation for FP and TN In Fingerprint-based and Proposed System	86
Table 4.10: Number of Combination of Syllable Type.....	87
Table 4.11: The Presentation of Word Occurrence and The Number of Combination of Two-Syllable Combination	88
