

PREFACE

Praise and Gratitude the presence of Allah SWT for all His grace and gifts so that the writer is given the opportunity to complete this final project. And the writer also thanks parents, family, friends who have provided assistance in the form of support and prayer. And the writer thanks to the lecturers and instructors who have guided the writer in completing the final project, and have provided useful knowledge. The writer also wants to thank to:

1. Mr. Haris Rachmat S.T., M.T as first mentor who has guided and gave knowledge in completing the final project.
2. Mr. Denny Sukma Eka Atmaja S.T., M. Sc as second mentor who has guided and gave knowledge and advice in completing the final project.
3. Mr. Yulis who has given a lesson, knowledge and guidance in completing the final project.
4. Mr. Rino Andias who have lent a measuring instrument so that the writer can complete the final project.

The author realizes that in this thesis there are some shortcomings and errors. So, the authors apologize for the mistakes that have been made. The author is very open to suggestions and corrections in this thesis so that the final project becomes better. Hopefully, this final project is not only useful for Telkom University students, but also for the people of Indonesia.
