

MOTTO AND DEDICATION SHEET

Few of us reach for the sky and attempt to bring our dreams into reality! For those of us who do, people like you, people like me, more than half quit. Why? Because success isn't easy. Believe or not, against "popular succes belief", we were not "made for success" no. We have to make it. And that takes effort. Remember a few things, success is not easy and it is certainly not for the lazy but if you are willing to achieve it, it will be worth it. And the end, I will say to the world "BEST VIEW COMES AFTER THE HARDEST CLIMB"

I dedicated this final thesis to my whole Family, especially my Beloved Parents.

Also, for my Beloved Partner & Motivator 'Odeliabellaide'
