

ACKNOWLEDGMENTS

First, I would like to express my sincere gratitude to my supervisor, Pak Hertog Nugroho, Ph. D, for guiding me throughout my research, and all his help, support, knowledge and critical thinking on research he shared with me.

I would like to express my deepest gratitude to my parents, Godang Simanjuntak and Jojor Nauli Tobing. I am thankful for their constant love and support. I am also thankful for the immense support and encouragement from my family and friends.

I would like to thank all my fellow students, lecturers and staff at Master of Computing, Telkom University, who helped and supported me throughout my study. Lastly, I am thankful for everyone who shared their knowledge, experiences, encouragement, and friendship with me throughout this journey.
