

## PREFACE

Praise and deep gratitude to Allah SWT for the abundance of grace and guidance that has been given to the researcher that made this thesis until its full completion. Shalawat and greetings may always be devoted to the Prophet Muhammad SAW who has guided us from the darkness to clear light.

This thesis is entitled “The Effect of Work Discipline and Supervision on Employee Performance at Pt. Telkom Division of Regional II Jabodetabek” resolved with purposes to fulfill the requirements of undergraduate degree in Department of Business Administration, Faculty of Communication and Business at Telkom University, Bandung.

The researcher would like to say thank you profusely for all the help that has been given whether it be either directly or indirectly during the preparation of this thesis to its completion. The researcher of this thesis would like to give my highest appreciation to:

1. My lovely father Saepul Milah and my lovely mother Ai Sumartini who have raised and provided prayer, motivation, encouragement, enthusiasm and facilities from semester one to the preparation of this thesis so that the writer can finish this thesis well.
2. Mr. Dr. Drs. Romat Saragih, M.M. as my guardian and kind-hearted supervisor for the contribution, support, attention guidance, and provided advice to the researcher during the thesis making process.
3. Mrs. Rd. Nurafni Rubiyanti, S.M.B., M.B.A. as a Guardian lecturer who has provided direction support during the lecture.
4. Mr. Dr. Syarifuddin, M.M. thank you for always guiding and helping during the lecture researcher activities.
5. Examiners 1 and 2 as lecturer examiners who have provided criticism and suggestions in the smooth writing of this thesis.
6. All administrative staff of business administration study programs for the smooth running of information and administrative support while participating in this Education program.
7. Mr. Budi, Ms. Rahmi and Mr. Radit as managers and all staff of Regional II employees of PT. Telkom which has guided and assisted the writer in collecting data.

8. My lovely sister Lita Garsela and brothers Itang Saepul Milah and Dinar Saepul milah for bringing joy and spirit.
9. Maesaroh and Putri Ananda Nadillah for the kindest support and be there through the ups and downs.
10. My fellow classmates AB-40 INT for all the friendship and memories during these past 3 past years.
11. All parties without reducing the respect that the author cannot write one by one that has provided enthusiasm, motivation, encouragement and assistance to the author in completing this thesis.

May Allah SWT always bless those mentioned above. May all their sacrifices become their merciful deeds and help them gain success in this world and the hereafter. This thesis is still far from perfection, both in writing techniques and grammar. Hence why the author is looking forward to suggestions and criticisms that can help boosts future improvements. May this thesis be useful to not only the author but the general public as well.

Bandung, February 2020
