

## DAFTAR SINGKATAN

|       |   |  |
|-------|---|--|
| eNB   | : | <i>Evolved Node B</i>                                |
| LTE   | : | <i>Long Term Evolution</i>                           |
| QoS   | : | <i>Quality of Service</i>                            |
| SINR  | : | <i>Signal to Interference Plus Noise Ratio</i>       |
| OFDMA | : | <i>Orthogonal Frequency Division Multiple Access</i> |
| ADC   | : | <i>Analog to Digital Converter</i>                   |
| DAC   | : | <i>Digital to Analog Converter</i>                   |
| PAPR  | : | <i>Peak to Average Power Ratio</i>                   |
| PRB   | : | <i>Physical Resource Block</i>                       |
| CUE   | : | <i>Cellular User Equipment</i>                       |
| DUE   | : | <i>D2D User Equipment</i>                            |
| ICI   | : | <i>Inter-Carrier Interference</i>                    |
| ISI   | : | <i>Inter-Symbol Interference</i>                     |
