

PREFACE

Assalamualaikum Wr, Wb.

In the name of Allah the most merciful and gracious. I also want to convey shalawat and salam to the last messenger of God, Muhammad Prophet, I would like to say thank you because has given an opportunity for the author to finish this thesis. Thesis is entitled “The Analysis Of Incubation To The Start Up In Terms Of Sales Revenue growth, Job Creation, Initial Capital and Start Up Age With The Non-Incubation Start Up” resolved with purposes to fulfill the requirements of undergraduate degree in Departement of Business Administration, Faculty of Communication and Business at Telkom University, Bandung. Therefore, the author wants to say thank you to:

1. Mr. Candra Wijayangka, ST., M.M. as the supervisor who has contributed greatly to take the time, thought, and attention to provide guidance, direction, and advice for writers while completing the thesis.
2. The board of examiners, both proposal examiners and final examiners who have provided criticism and suggestions in the writing of this thesis.
3. Ms. Rd. Nurafni Rubiyanti, S.M.B., M.B.A as my guardian lecturer who has helped me in providing knowledge, insight, understanding, and experience as long as the author attended a study at the Faculty of Communication and Business, Telkom University.
4. All administrative staff of business administration study programs for the information and administrative support while participating in this education program.
5. The people who helping author while collected the data and also for the the informant who spare their precious time, thank you so much.
6. My beloved parents, Mr. Alamsyah and Mrs. Dince Sutisna for always giving an endless support, prayers and motivation for the author to finish this thesis. Thank you also for always stay by my side through the storm

and obstacle as well as providing all my need without hesitation. I love you so much.

7. My beloved sister and brother, Dera Safira and Shank Gentar Alam who will and always remain the best younger siblings in the life of the writer.
8. My big family who always encourage me to finish my study very well.
9. All AB-40-INT colleagues who have worked well during the study activities and thank you so much for the memories during these past 3 past years.
10. My partner in my college life, amik and sabil thank you so much.
11. My dear fangirl partner, Fani, retno, alya who have supported author through happy and hardest time. Thank you so much for always being my friends till now. I know its hard but let's we fight together.
12. Last but not least, thank you so much for super junior and wanna one who always be there giving laugh while the author going ups and down. Lets meet as many as possible.
13. All parties whose authors cannot be mentioned one by one who have provided assistance and support, may Allah SWT bestow his mercy and grace on them all.

The author realizes that the preparation of this thesis is far from perfect, both in writing techniques, language structure, or scientific perception. For this reason, the authors highly expect constructive criticism and suggestions for future improvement. The author also hopes that this thesis can be useful especially for myself, and generally for Telkom University students.

Bandung, 20 February 2020

Author,
