PREFACE

This thesis is compiled with the support of all parties involved. I will always be grateful to Allah and thanks to all who have helped, directed, and supported this work. This thesis book attempts to bring clarity about sarcasm in twitter, the entire hard work, and dedication put in by me in this completion of the research.

Finally, this thesis is dedicated to all informatics students in the field. I have expressed my experiences in a simple way. I hope this research will find it interesting, worth reading, and provided a valuable contribution to informatics engineering.
