

ACKNOWLEDGEMENT

I would like to express my biggest thanks to Lord Almighty for his grace and blessing that give me health both in body, mind and soul. And also for always giving me blessing both in study and everyday life throughout my stay in Telkom University.

My mother, father, brothers, and sisters that always support me into finishing this undergraduate thesis. The support of my parent that always keep me from failing to finish this thesis always there.

I would also like to give my biggest thanks to my Supervisor I, Dr. A. Adya Pramudita, S.T., M.T., my Supervisor II, Erfansyah Ali, S.T., M.T., my Lecturer of Writing Bachelor Thesis and Scientific Papers subject, Dr. Eng. Khoirul Anwar, S.T., M. Eng. Dr. A. Adya Pramudita is a kind and caring supervisor that always motivate and teach me in my thesis, without his guidance, my thesis will not completed. Also all of the lecturer from the first semester until now who have already taught me in college.

And not to forgot all my friend that keep supporting me in finishing this thesis. I humbly and sincerely say thank you from the bottom of my heart and I will always pray and hope that God may bless and guide us always.
