

## LIST OF FIGURES

|  |     |
|--|-----|
| Figure 1. 1 Project Triple Constraint Triangle .....                             | 1   |
| Figure 1. 2 Major Cause of Project Failure.....                                  | 2   |
| Figure 1. 3 Percentage of projects Completed Within Organization in Global ..... | 3   |
| Figure 1. 5 OSP FTTH Kampung Logi Location .....                                 | 9   |
| Figure 1. 6 OSP FTTH Babakan Sari Ciranjang Location.....                        | 9   |
| Figure 2. 1 PMBOK Project Management Scope.....                                  | 11  |
| Figure 2. 2 Project Scope Management Overview.....                               | 13  |
| Figure 2. 3 Validate Scope Process Overview .....                                | 16  |
| Figure 2. 4 WBS Organized by Phase.....  | 19  |
| Figure 2. 5 Two-by-two matrix of four major types of projects .....              | 25  |
| Figure 2. 6 Validated Scope Relationship flow .....                              | 26  |
| Figure 3. 1 Conceptual Model.....  | 37  |
| Figure 3. 2 Systematic Problem Solving.....                                      | 38  |
| Figure 4. 1 Data Management Gaps Illustration Framework .....                    | 90  |
| Figure 5. 1 Validate Scope Input Process Gaps.....                               | 98  |
| Figure 5. 2 Validate Scope Tools & Technique Gaps.....                           | 102 |
| Figure 5. 3 Validate Scope Output Process Gaps .....                             | 103 |
