

## **AUTHOR'S FOREWORD**

Bismillahirrahmanirrahim, thanksgiving for Allah SWT presence, for the mercy, grace, and guidance, alhamdulillah the author has finished this thesis with entitled of **BOK CHOY GROWTH PREDICTION MODEL ANALYSIS BASED ON SMART FARM USING MACHINE LEARNING**. The author compiles this thesis to complete a bachelor's degree in Telecommunication Engineering, School of Electrical Engineering, Telkom University.

This thesis has been prepared properly. However, the author realizes this thesis are still many shortcomings. Suppose there are any errors and deficiencies in delivering information or writing systematics to make this thesis better. In that case, the author is open to receiving the critic(s) and suggestion(s) developed with pleasure. With all humility, the author hopes this thesis could be expanded better and useful for the reader and author, especially for education and research in the future of the digitalization era.
