

PREFARE

Praise and thanksgiving the writer prayed to Allah SWT. Because of His blessing and guidance, so that the author can complete the preparation of the thesis entitled "The Effect of Corporate Social Responsibility Program Implementation on Philips Lighting Customer Loyalty through Brand Image as an Intervening Variable." as one of the requirements to obtain a Bachelor Degree in Study Program. Business Administration.

The author also thanks Telkom University, especially the Business Administration Study Program, Faculty of Communication and Business, for the educational opportunities. Do not forget to thank the author to both parents who have supported and prayed for me.

The author realizes that this thesis is not completed without the help of various parties. For that, the authors would like to thank profusely all parties involved in the preparation of this thesis.

1. Ms. Marheni Eka Saputri, S.T., MBA. As my guardian and kind-hearted supervisor for the contribution, support, guidance, and provided advice to the author during the completion of this thesis.
2. My beloved father, Joko Priyanto and my beloved mother, Indah Sri Unun for the abundant pray and having my backbone as well as providing all my needs without hesitation.
3. My beloved sister Dhea Safira Zahra and Danisha Nailah Khanza for the endless support, infinite pray, advice and always by my side through obstacles.
4. My beloved aunty, Elok Sri Wahyuni for the endless support, infinite pray, advice and always by my side through obstacles.
5. My friends during junior high school Mutiara Ayu Mawaddah, Vellya Utami Cania, and Zahra Nurul Hana for the endless support and always there through ups and downs.
6. My friends during high school Arofia Nur Latifatul Ilmiah and Bulkis Kanaya for always there through thick and thin, always listens to every story that i share with him, giving advice and my support system.

7. My friends during dormitory in Telkom University Shinta Pramuwidya, Nabila Amalia Azzahra and Fahimah Fitri Afifi support and memories during these past 3 past years.
8. My classmates Alya Sania Supriyadi, Riza Raisani Alyasa, Athaya Salsabilla Reshanggono, Astria Yuanita Putri, Anggie Putri Lestari, Elissa Enjelina and Helia Dardanella for the endless support and always there through ups and downs.
9. My fellow classmates AB-41-INT for all the friendship, support and memories during these past 3 past years.
10. All the seniors and juniors who provide a direction and give examples regarding the thesis.

The author realizes that this thesis is far from perfect, both in writing, language structure, or scientific perception. For this reason, the authors expect suggestions and constructive criticism for improvement in the future. The author also hopes that this thesis can be useful, especially for the author himself, and generally for Telkom University students.
