

ABSTRACT

#NetfliXHaram was trending on Twitter social media in January 2020, this hashtag was trending due to the news entitled "MUI siap keluarkan fatwa haram netflix is " on dailyjogja.com. As a result of this phenomenon, researchers are interested in analyzing and revealing the violation of several articles of the KEJ conducted by harijogja.com on related news.

This study uses a qualitative method with a content analysis approach. This method is a method that will produce data in the form of words from informants who have been selected by researchers because they have more competence in the field of journalism.

With this method, the researcher found several errors in the dailyjogja.com Code of Ethics for Journalism. Harianjogja.com has violated articles 1, 3, and 11 of the KEJ applicable in Indonesia. The researcher hopes that the press council can put more emphasis on the implementation of the KEJ that applies in Indonesia. For further research, researchers hope to be able to examine the same news on different platforms, because this news is not only available on dailyjogja.com
