joy and sorrow who always supports, helps, especially encourages the author in the process of completing this final project.

11. All parties that the author cannot mention one by one who have aided or support, may Allah SWT bestow His grace and grace on them all.

The author realizes that this final project is far from perfect, both in writing techniques, language structure, or scientific perception. For this reason, the researcher really expected suggestions and constructive criticism for improvement in the future. The author also hopes that this final project can be useful especially for the researcher herself, and generally for Telkom University students.
