

PREFACE

Alhamdulillah, thanks to Allah SWT. This final project is a journey in the last year of my undergraduate studies at the Industrial Engineering Undergraduate Study Program, Faculty of Industrial Engineering, Telkom University. My thanks to :

1. Advisor 1 for my Final Project, Mr. Heriyono Lalu, ST, MT and Advisor 2 Ms. Yunita Nugrahaini, ST, MT for their direction and guidance during the work of this final project.
2. PT. Toyota Motor Manufacturing Indonesia as a case study in this final project, which has been willing to provide data sources ranging from interviews, observations, and final project implementation documents.
3. My family, Mrs. Hasanah and Syabilullah, for their moral support and prayers during the implementation of this Final Project in particular and during the education period in general..
4. Angellina who has always given support and support all this time.
5. All friends of Class 2017 Industrial Engineering Telkom University, who are both struggling to complete this Final Project.

I also thank all those who indirectly contributed to the completion of this Final Project.
