

MOTTO AND DEDICATION SHEET

Life is like a book. Some chapters are sad, some are happy and some are exciting. But if you never turn the page, you will never know what the next chapter has in store for you. Life still continued if you still try it, be grateful and sincere in God's way. Every time is a precious process. Every mistake is a maturity, and every trial is an unexpected blessing.

No amount of guilt can change the past. Perhaps it can be so hard to achieve live in the present moment. It's only fixated on how much strength you get through it. Strength isn't about how much you can handle before you break. It's about how much you can endure after you've been broken.

I dedicated this final thesis to Telkom University.
