

ACKNOWLEDGMENTS

This thesis is compiled with the effort, help, and support from all supporting elements. The author would like to express the deepest gratitude and thanks to:

1. God Almighty, because of His blessings, grace, and permission, the author could complete this master thesis well with the best effort the author could be.
2. My beloved family, Mr. Ir. Chrispius Joko Sriyanto, M.Si., Mrs. Maria Maharsi Pradoposari, S.H., M.H., and my brother Aloysius Krisna Wikantyoso for endless love, prayers, and supports gave to me.
3. Dr. Muhammad Imam Nashiruddin, S.T., M.T. as my 1st supervisor, thank you, Sir, for always giving me advice and guidance from the very early stage of this research and giving me many experiences in every process of my college life.
4. Ir. Miftadi Sudja'i, M.Sc, Ph.D. as my 2nd supervisor, such a great honor, Sir, could be your guidance student. Thank you for kindly taking the free time to discuss many things with me, not only about my master thesis process but also much precious insight, knowledge, and the most important thing, inspiration, you gave to me, Sir. Those surely mean a lot to me.
5. Dr. Helni Mutiarsih Jumahur, S.H., M.Hum. and Dr. Ir. Taufik Hasan, DEA., thank you for kindly giving me advice, valuable input, and constructive criticism to make my master thesis and me better than the previous.
6. Tembang Florian, thank you for always giving me your back even I was always complaining about my condition to take a study and work at the same time. It was challenging, but it feels fun and easier when you give me support. Thank you, Riri.
7. My friends and family in PT. Bank Rakyat Indonesia, Pak Lukman, Pak Kemal, Pak Arif, and all my friends can't be mentioned one by one. Thank you for always supporting me and making my work fun, even if it is challenging due to taking a graduate program study at the same time.
8. All lecturers and employees in the School of Electrical Engineering, Tel-U, cannot mention all the names one by one. Thank you for always support the author in administrative stuff so that the author could finish his master's study very well and reach valuable achievement at this point.
