

## DAFTAR TABEL

|                                                                                                                 |     |
|-----------------------------------------------------------------------------------------------------------------|-----|
| Tabel II. 2 Keterangan perbandingan antar model validasi proses .....                                           | 29  |
| Tabel II. 3 Keterangan notasi petri net.....                                                                    | 31  |
| Tabel V. 2 Keterangan Penjadwalan Pengadaan Barang Inventory Management (Analisis, 2021).....                   | 63  |
| Tabel V. 3 Keterangan penjadwalan Developing System Operational Data Management (Analisis, 2021).....           | 68  |
| Tabel V. 4 Keterangan Penjadwalan Site Acquisition Management (Analisis, 2021).....                             | 72  |
| Tabel V. 5 Keterangan Penjadwalan Supplier Management.....                                                      | 76  |
| Tabel V. 6 Keterangan State Chart Analysis (Analisis, 2021).....                                                | 88  |
| Tabel V. 7 Keterangan WorkFlow-Net Pengadaan Barang Inventory Management (Analisis, 2021).....                  | 90  |
| Tabel V. 8 Qualitative analysis pengujian proses bisnis pengadaan sumber barang inventory management.....       | 92  |
| Tabel V. 9 Keterangan WorkFlow-Net Operating System Operational Data Management (Analisis, 2021).....           | 96  |
| Tabel V. 10 Qualitative analysis pengujian proses bisnis developing system operational data management.....     | 98  |
| Tabel V. 13 Keterangan WorkFlow-Net Site Acquisition Management (Analisis, 2021).....                           | 101 |
| Tabel V. 14 Qualitative analysis pengujian proses bisnis site acquisition management.....                       | 102 |
| Tabel V. 17 Keterangan WorkFlow-Nets Supplier Management.....                                                   | 105 |
| Tabel V. 18 Qualitative analysis pengujian proses bisnis supplier management.....                               | 107 |
| Tabel V. 22 Perbaikan keterangan penjadwalan pengadaan barang inventory management (Analisis, 2021).....        | 117 |
| Tabel V. 23 Perbaikan keterangan penjadwalan operating system operational data management (Analisis, 2021)..... | 120 |

|                                                                                                            |     |
|------------------------------------------------------------------------------------------------------------|-----|
| Tabel V. 24 Perbaikan keterangan penjadwalan site acquisition management (Analisis, 2021).....             | 123 |
| Tabel V. 25 Perbaikan keterangan penjadwalan supplier management.....                                      | 125 |
| Tabel V. 26 Perbaikan state chart analysis (Analysis, 2021).....                                           | 135 |
| Tabel V. 27 Keterangan perbaikan WF-net Pengadaan barang inventory management (Analysis, 2021).....        | 137 |
| Tabel V. 28 Hasil uji perbaikan pengadaan barang inventory management (Analisis, 2021).....                | 139 |
| Tabel V. 29 Keterangan perbaikan WF-net Operating system operational data management (Analysis, 2021)..... | 141 |
| Tabel V. 30 Hasil uji perbaikan operating system operational data management (Analisis, 2021).....         | 143 |
| Tabel V. 31 Keterangan perbaikan WF-net site acquisition management (Analysis, 2021).....                  | 145 |
| Tabel V. 32 Hasil uji perbaikan site acquisition management.....                                           | 147 |
| Tabel V. 33 Keterangan perbaikan WF-net supplier management.....                                           | 149 |
| Tabel V. 34 Hasil uji perbaikan supplier management.....                                                   | 151 |
